Tetherdown Values

Where *happy* children
are *inspired* to be
the *best* they can be.

- Lead with **Kindness**
- Showing **Respect**,
- Igniting **Imagination**
- Embracing **Inclusion**
- Building **Resilience**,
- Firing **Ambition**.

AA: School Development Focus for this year (links to our fundraising with Friends of Tetherdown)

- OPAL – understanding different play and biodiversity of our school grounds
- Oracy – Voice 21 with an aim to develop skills in successful discussion, inspiring speech and effective communication skills
- Arts – Design Technology, Art and Music
- Community links – giving back to community
- Computing skills to help every child – whether they need extra support, are learning English, or need extra challenge – by giving them tools that match their needs and help them shine.

Our Rules

Relationships, clear routines and expectations are at the centre of all we do.

Rewards include:

- Golden tickets including weekly raffle
- Marbles
- Recognition board
- Headteacher's hot chocolate
- BBB certificates

Consequences are based around natural consequences and practice something.

Steps for managing tricky behaviour in the classroom:

- Reminder
- Warning
- Last chance
- Cool off time
- Thinking sheet

See our behaviour policy for managing more serious behaviours

Curriculum Specialists

- Mandarin Teachers - from London Southbank University
- Music - led by Mr Jonathan Kitching
- PE - taught by Coach Sonia Da Silva and Coach Sam Hadari

AA: How We Challenge Your Child in Every Lesson

At our school, we aim high and believe every child can achieve their best. This can be seen by our results, we are a top London school and we have been sitting in the top 5-10% in the country in reading, SPAG and Maths. Challenge is part of everyday learning:

- **Stretching Thinking**

Lessons are designed to deepen understanding and build confidence. E.g.

- *Maths*: Children solve challenging problems using reasoning and resilience.
- *English*: Pupils write with creativity and purpose, using inference and creating mood.

- **Varied Activities**

We use different tasks and approaches to suit all learning styles.

- **Growth Mindset**

Mistakes are seen as learning opportunities.

- **Supportive Classrooms**

Children feel safe to take risks and try hard things.

- **'Aim High' Days**

Focus on problem solving, teamwork, debates, research, and maths puzzles—developing deeper thinking and curiosity.

End of year expectations

- Children are given a grading of: Greater Depth / Expected / Working Towards / Below (e.g. 1BLW = working at a Year 1 level but they are in a higher year group)
- Assessments through observations, conversations, books, lessons, half termly and termly
- Teacher records assessments once every term based on their assessments
- This is fed back to parents through parent consultations and reports
- The school website shows end of year expectations here: [Tetherdown School - End of Year Expectations](#)

How We Support All Children at Tetherdown: Inclusion, Interventions & SEND Support

- Strong Teaching for Everyone**

All teachers are trained regularly to meet children's different needs, including those with SEND.

- Class Teacher Leads Support**

If your child needs extra help, their class teacher is the first person to support and manage this.

- What Are Monitoring and Learning Plans?**

- Monitoring Plan*: A short-term plan to keep an eye on progress.

- Learning Plan*: A more detailed plan with clear targets if your child needs longer support.

- Extra Help When Needed**

Children may work in small groups or 1:1 for a while, but the aim is always to return to full class learning.

- Getting Expert Advice**

If a child still struggles, we may ask outside specialists to help.

- Keeping Track**

We regularly check progress in meetings to make sure every child is moving forward.

- Who to Talk To**

- Your first point of contact is your **child's class teacher**.

- Ms. McMeakin (Inclusion Lead)** is also available at SEND coffee mornings, Open Door sessions, and parent evenings.

Additional Support:

- Any child can have additional breaks and be in a small room
- If a child qualifies, they may be able to get:
 - Scribe
 - Reader
 - Additional time
- To qualify, a child must meet specific standards from the DfE and do not automatically qualify even if they have educational reports that state they need additional support (e.g. time)

RSE (Year 5 and 6)

- Families and people who care for me
- Caring Friendships
- Respectful Relationships
- Online Relationships
- Being safe
- Changing adolescent bodies
- We will be hosting a parent workshop for RSE year 5 and 6 on:
- If you would like to withdraw your child from a specific RSE lesson, please get in touch with your child's class teacher **after** the RSE parent workshop

Home Learning on Teams

Home learning will focus on consolidation of knowledge and skills such as reading, spelling, and Maths. At least once per half term topic-based learning will be set which will further develop the children's knowledge. will be set on Thursday, to completed by Tuesday at midnight.

Home learning will include:

- ☐ Spelling rules on spelling shed (15mins),
- ☐ Maths (TT Rockstars and Targeted Maths Questions)
- ☐ Topic home learning

Thank you to all those who completed the home learning survey, we are currently reviewing our processes and hope to improve home learning in the next term.

Home Learning on Teams

- We aim to acknowledge and provide regular feedback about your child's work.
- Home learning is followed up in class and the teachers will continue to train and guide the children on how best to use Teams.
- We will provide a home-learning book for the children to complete their work in and then to take photographs to upload on to teams. If you have an issue with uploading, then please send the work in on the Tuesday.
- Please devise a timetable for your child's home learning across the week and make sure that your child has a comfortable place to work at home with access to a computer.
- A few children will have adapted home learning.
- **Please read our general notices regularly, this will inform you of assemblies, local trips, workshops and may include other messages of importance.**
- **We expect ALL children to complete their home-learning. If your child does not complete their homework on TWO consecutive occasions we will, for those children in Years 4, 5 and 6: provide an opportunity to complete in school, and we will email you to explore why your child has not completed their home-**

Reading – Home Learning

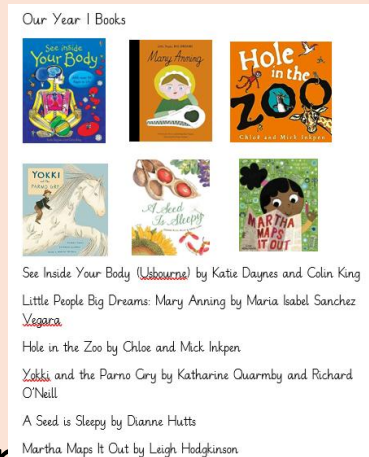

KS2:

- Your child must be reading, at home, every day (20 minutes)
- They can either take their reading book home or have one in school and one at home. Our school library is quite extensive!
- We also have our Reading Passports, which the children love, of carefully curated, challenging books for the children to read. When they have read the book, can they write and send or publish a quick review (doesn't have to be an essay!) and we will acknowledge this in their reading passport.

Reading Passports

Reading Passports were created to widen our children's reading with a range of genres, reading level and choice of authors represented.

- Each year group has 8 books for the children to choose 6 and read over the year. These will be in addition to the children's whole class texts and reading books.
- Books are high level, engaging and at or above reading expectations for that year group
- The books include poetry, non-fiction and fiction.
- Outcome: Children will be asked to write a review of the book once read and submit as part of their home learning on Teams. Each time a child has completed a review of the book, the child can ask the teacher to sign this off on their passport.
- All children who complete their passport before the end of the year will

Healthy Pupils

PE days:

- Please come to school in your PE kits on these days: **Monday and Thursdays**

PE Kit: Tetherdown blue t-shirt or a plain blue t-shirt, sweatshirt, shorts or jogging bottoms and trainers or plimsols

- Please note if your child does not have correct PE kit, they will be given a reminder and if they forget their kit again (same half term), they will miss the lesson due to health and safety. (If they have unsuitable clothing e.g. boots, they may miss the immediate lesson.)
- Stevenson's Website to order PE kits <https://www.stevensons.co.uk/> (also available on Tetherdown Website)
- Friends of Tetherdown hold a second-hand PE kit sale throughout the year. (Summer Fayre)

Please remember we are a **no nut school** E.g. **pesto**

- Please send in a labelled water bottle.
- Packed lunches - all rubbish from children's packed lunch will remain in lunchboxes and returned home so that you can discuss likes/dislikes.

Birthdays:

- Please **do not bring edible birthday treats** due to being 'Healthy School' and children's allergies/intolerances. However, we would welcome a book to add to the library.
- Please choose a book that your child has enjoyed reading or speak to the staff at Muswell Hill Children's Bookshop as they will give excellent recommendations.

RS: E-Safety

- Parents and staff are responsible for teaching children the skills to use the internet safely. Please see our 'Keeping Children Safe Policy' for more details.
- No mobile phones or watches with mobile data in school.
- Any photographs taken by parents on school trips must not be shared on any social media sites.
- All parents are asked to give/deny permission for photographs to be shared on our website and in our Newsletter.
- The annual Parent E-safety meeting is planned for November 2024
- Consider joining a national movement called **Smartphone Free Childhood-Haringey** which is urging parents and schools to help delay giving young children smartphones and social media access.
