

Year 6 Curriculum Letter - Autumn 1 2023

Dear Parents and Carers,

Welcome to Year 6! It has been a pleasure to welcome the new year 6 children into school this term. We hope that the classes settle in well, appreciate a routine and feel comfortable and safe in school. Our main topic this half term is related to the book "Pig Heart Boy" by Malorie Blackman, with a focus on Science across the curriculum. We will be reading the text together in class, so don't worry about purchasing a copy.

Many parents have, in the past, requested links to the topic where they can support their child in the learning going on in school. These are purely optional.
