Tetherdown Values

Where *happy* children
are *inspired* to be
the *best* they can be.

- Lead with **Kindness**
- Showing **Respect**,
- Igniting **Imagination**
- Embracing **Inclusion**
- Building **Resilience**,
- Firing **Ambition**.

Children achieve their best when school and home work together.

The closer our shared values and expectations are, the easier it is for children to make positive choices, build strong relationships and flourish both academically and personally.

Our 2026–27 Focus Areas (in partnership with Friends of Tetherdown Fundraising Initiatives)

Building on our strong academic achievements, this year we will place an increased emphasis on the social, emotional and creative aspects of school life. Our key priorities are designed to enrich learning and support the development of every child:

- **OPAL Play and Outdoor Learning:** We are continuing to develop a range of exciting outdoor play zones, with the aim of achieving OPAL accreditation by November. With the support of our families, we plan to introduce additional shelters for rainy and hot days, an outdoor sink, chin-up bars and other equipment to enhance children's play experiences.
- **Oracy (Voice 21):** We will embed the Voice 21 approach across the school, strengthening children's confidence in speaking, listening, discussion and effective communication.
- **STEM Enrichment:** We will deepen children's experiences in science, technology, engineering and mathematics while expanding our library of STEM-related books and resources.
- **Community Links:** We will build stronger connections through buddy partnerships, local collaborations and social-action projects, particularly in Key Stage 2.
- **Inclusion:** We will invest in resources that make learning more accessible, including visualisers and specialist devices to support children with English as an additional language (EAL) and those with special educational needs and disabilities (SEND).
- **Our Environment:** We will enhance both our indoor and outdoor spaces by creating calm areas, refreshing classroom décor and introducing measures to keep classrooms cooler. These improvements will provide children with comfortable, welcoming and purposeful environments in which to learn, play and thrive.

Our Rules

Relationships, clear routines and expectations are at the centre of all we do.

Rewards include:

- Golden tickets including weekly raffle
- Marbles
- Recognition board
- Headteacher's hot chocolate
- BBB certificates

Consequences are based around natural consequences and practice something.

Steps for managing tricky behaviour in the classroom:

- Reminder
- Warning
- Last chance
- Cool off time
- Thinking sheet

See our behaviour policy for managing more serious behaviours

Challenge in Every Lesson

At our school, we aim high and believe every child can achieve their best. Challenge is part of everyday learning:

- **Stretching Thinking**

Lessons are designed to deepen understanding and build confidence. E.g.

- *Maths*: Children solve challenging problems using reasoning and resilience.
- *English*: Pupils write with creativity and purpose, using inference and creating mood.

- **Varied Activities**

We use different tasks and approaches to suit all learning styles.

- **Growth Mindset**

Mistakes are seen as learning opportunities.

- **Supportive Classrooms**

Children feel safe to take risks and try hard things.

- **‘Aim High’ Days**

Focus on problem solving, teamwork, debates, research, and maths puzzles—developing deeper thinking and curiosity.

End of year expectations

- Reading book band
- Preparation for Y4 Multiplication Government Test (Times tables Rock stars)
- Other subjects: Children are given a grading of: Greater Depth / Expected / Working Towards / Below (e.g. 1BLW = working at a Year 1 level but they are in a higher year group)
- Assessments through observations, conversations, books, lessons, half termly and termly
- Teacher records assessments once every term based on their assessments
- This is fed back to parents through parent consultations and reports
- The school website shows end of year expectations here: [Tetherdown School - End of Year Expectations](#)

Supporting Every Child at Tetherdown (SEND)

At Tetherdown, all teachers are teachers of SEND – Special Educational Needs & disability. Our staff receive ongoing training and work together to ensure every child can access learning, thrive and feel a sense of belonging.

- High-quality inclusive teaching in every classroom
- Adapted support and targeted interventions when needed
- Early identification of additional needs
- Regular staff training and specialist guidance
- Strong partnership between school and home

If you have any concerns about your child, please speak to your class teacher first. They know your child best and are the first point of contact. Where needed, they will work closely with our SEND Team to provide additional support and open door.

- 📖 For more information, please see our:
- SEND Information Report on the website.
- Our SENDCo is Ms McMeakin (M-Th)

Home Learning on Teams

Home learning is:

- A consolidation of knowledge and skills such as reading, spelling, and Maths.
- Given to children on Thursdays and returned via Teams Assignments on Tuesdays.

The children will receive a home-learning sheet which will explain the week's learning. Please help your child timetable a time for these activities.

Home learning will include:

- ☐ Daily reading
- ☐ Spellings (20 mins or 5 mins per evening)
- ☐ Maths -TT Rockstars and White Rose Maths (up to 45 mins)
 - ☐ Each sheet has an accompanying video: <https://whiterosemaths.com/homelearning/>

Home Learning on Teams

- We aim to acknowledge and provide regular feedback about your child's work.
- Home learning is followed up in class and the teachers will continue to train and guide the children on how best to use Teams.
- We will provide a home-learning book for the children to complete their work in and then to take photographs to upload on to teams. If you have an issue with uploading, then please send the work in on the Tuesday.
- A few children will have adapted home learning.
- If you are unable to print, please get in touch with your class teacher who can provide a paper copy.
- **Please read our general notices regularly, this will inform you of assemblies, local trips, workshops and may include other messages of importance.**
- **We expect ALL children to complete their home-learning. If your child does not complete their homework on TWO consecutive occasions we will, for those children in Years 4, 5 and 6: provide an opportunity to complete in school, and we will email you to explore why your child has not completed their home-learning.**

Reading – Home Learning

KS2:

- Your child must be reading every day (20 minutes).
- Change book day: Tuesdays for Sharks and Wednesday for Dolphins.
- They should have a book to read at home and a different book, which they will keep at school that they will be reading. Our school library is quite extensive!
- Please see the Curriculum Letter as it refers to online links to books within the topic.
- Book band colours will be assessed every half term

Reading Passports

Reading Passports were created to widen our children's reading with a range of genres, reading level and choice of authors represented.

- Each year group has 8 books for the children to choose 6 and read over the year. These will be in addition to the children's whole class texts and reading books.
- Books are high level, engaging and at or above reading expectations for that year group
- The books include poetry, non-fiction and fiction.
- Outcome: Children will be asked to write a review of the book once read and submit as part of their home learning on Teams. Each time a child has completed a review of the book, the child can ask the teacher to sign this off on their passport.
- All children who complete their passport before the end of the year will

Healthy Pupils

PE days:

- Please come to school in your PE kits on these days: **Monday and Friday**

PE Kit: Tetherdown blue t-shirt or a plain blue t-shirt, sweatshirt, shorts or jogging bottoms and trainers or plimsols

- Please note if your child does not have correct PE kit, they will be given a reminder and if they forget their kit again (same half term), they will miss the lesson due to health and safety. (If they have unsuitable clothing e.g. boots, they may miss the immediate lesson.)
- Stevenson's Website to order PE kits <https://www.stevensons.co.uk/> (also available on Tetherdown Website)
- Friends of Tetherdown hold a second-hand PE kit sale throughout the year. (Summer Fayre)

Please remember we are a **no nut school** E.g. **pesto**

- KS1 during day - School provides the snacks
- Please send in a labelled water bottle.
- Packed lunches - all rubbish from children's packed lunch will remain in lunchboxes and returned home so that you can discuss likes/dislikes.

Birthdays:

- Please **do not bring edible birthday treats** due to being 'Healthy School' and children's allergies/intolerances. However, we would welcome a book to add to the library.
- Please choose a book that your child has enjoyed reading or speak to the staff at Muswell Hill Children's Bookshop as they will give excellent recommendations.

E-Safety

- Parents and staff are responsible for teaching children the skills to use the internet safely. Please see our 'Keeping Children Safe Policy' for more details.
- No mobile phones or watches with mobile data in school.
- Any photographs taken by parents on school trips must not be shared on any social media sites.
- All parents are asked to give/deny permission for photographs to be shared on our website and in our Newsletter.
- The annual Parent E-safety meeting is planned for November 2026

- When considering tutors – be it music or learning – please check their

Communication Guidelines

Best Practices for Communicating with Teachers:

- Direct Meetings/Phone Calls: Schedule these for in-depth discussions.
- Emails: Keep messages short and succinct and send them within working hours. Expect a response within 5 working days. Use "schedule send" for late-night or weekend emails.
- End-of-Day Chats: Brief discussions in the playground are welcome

Key Information Sources:

- Website: Visit www.tetherdownschool.org for most queries, supporting our busy office staff.
- Parent Consultations & Annual Reports: Discuss your child's progress.
- Teams: Regular updates on visits and home learning.
- **Class Champions:** Assist with events and community engagement through FoT.
