

Dear Applicant

**Re: Application for a post at Tetherdown Primary School**

Thank you for taking an interest in applying for a position at Tetherdown School. Tetherdown School is a two-form entry primary school in the heart of Muswell Hill, a wonderfully vibrant and cosmopolitan area within the London Borough of Haringey. We have 420 children on roll with a long waiting list of families wishing to join us. Our children are great! They are a pleasure and a delight to work with, demonstrating amazing creativity, excitement and enjoyment in their learning. Our vision statement reminds us that we are continually building on our positive ethos and strive to provide a wide variety of opportunities for learning:

- *Together, we nurture caring and socially responsible children, ready to be active global citizens;*
- *Together, we create innovative opportunities where children and staff develop a love of learning and their imagination is fired;*
- *Together, we empower our children to become successful, independent and ambitious about learning;*
- *In the endeavour that our children will leave having reached their full potential, prepared for a world of possibilities.*

We are held in high esteem within our community. Children perform beyond national averages and parents support and relish our creative ways of learning, our thought provoking and challenging activities and our positive ways we look after each and every child. Relationships within our school are extremely important to us; happy children make for happy learners.

We have a vibrant and committed ensemble of staff who are passionate about children and their learning environment. We work hard together but also enjoy opportunities to relax and have fun together. Alongside the everyday activities there will be opportunities for training, development and collaboration; for reflection and promoting your own learning. Our experienced leaders and managers will support your development to ensure that you are fully equipped to be the best you can be. We recognise that all adults, including temporary staff, volunteers and governors, have a full and active part to play in protecting our pupils from harm, and that the child's welfare is our paramount concern.

Please take the opportunity to visit our school website for more information about the school and contact us to arrange a visit. I look forward to receiving your application.

Best regards
